Legal Cases in which I have been accepted as an expert witness and provided testimony.

State of Louisiana v [I cannot remember the citation] 1985 or 1986 Second Judicial District.

Provided expert witness testimony and created exhibits analyzing the crime scene and escape route of the accused for the District Attorney in an attempted murder case (Walmart sniper). The client (State of Louisiana) won. Accepted area of expertise – geography, remote sensing, spatial analysis.

State of Louisiana v. Nick Taylor 1985-6 Criminal Suit 125348 First Judicial District.

Provided geographic and historic testimony for the Defense. The case was tried in Caddo Parish and should have been tried in Bossier due to boundary issue. Created boundary maps that proved the body was dumped in Bossier Parish near Hamel's log ride prior to Clyde Fant Parkway. After four years, the defendant wished to be tried in Caddo. Accepted area of expertise – history, geography, remote sensing, spatial analysis. Client convicted.

State of Louisiana v. Nathaniel Code Criminal Suit 138860 1990 First Judicial District.

Provided geographic and historic testimony for the Defense. Exhibits included the murder sites and transportation routes in the Cedar Grove neighborhood. Accepted area of expertise – history, geography, remote sensing, spatial analysis. Client convicted.

Bossier Parish School Board vs. Janet Reno, et al Civil Action 94-01495. 1995 U.S. District Court for the District of Columbia.

Provided demographic, geographic, and historical analysis for the Bossier Parish School Board. Accepted area of expertise – history, demography, digital cartography, geography, remote sensing, spatial analysis. Client won, case appealed.

Janet Reno v. Bossier Parish School Board 95-1508 1995 U.S. District Court for the District of Columbia.

Provided demographic, geographic, and historical analysis for the Bossier Parish School Board. Accepted area of expertise – history, demography, digital cartography, geography, remote sensing, spatial analysis.

Client won, case appealed to U.S. Supreme Court.

Janet Reno v. Bossier Parish School Board 98-405 and 98-406 1998-1999 1995 U.S. U.S. Supreme Court and District Court for the District of Columbia.

Provided demographic, geographic, and historical analysis for the Bossier Parish School Board. Accepted area of expertise – demography, digital cartography, geography, remote sensing, spatial analysis. Client won with U.S. Supreme Court ruling.

City of Shreveport v. Quinn Estate, [Noel Estate] Civil Action 337,256, “B”, 2003 and 2004 First Judicial District Court in Caddo Parish.

Provided demographic, geographic, and historical analysis for the Quinn Estate. Accepted area of expertise – demography, digital cartography, geography, remote sensing, spatial analysis. Client won judgment March 29, 2005.

Hamel’s Farm, L.L.C. v. Ike Muslow, M.D. and Berte A. Muslow No. 494,740-A, First Judicial District Court, Caddo Parish, Louisiana.

Provided geographic and historical analysis for Dr. and Mrs. Muslow. Accepted area of expertise – history, digital cartography, geography, remote sensing, spatial analysis. Client won judgment on April 30, 2007. Decision affirmed before the Louisiana Second Circuit Court of Appeals, August 2008 in Docket Number CA 08-43475.

Devon Energy Production Co., LP v. Gail Norton, Secretary, et al; United States District Court, Western District of Louisiana, Shreveport Case No. 04-2093

Case is still active. Provided geographic and historical analysis of for the Louisiana State Land Office and for Anderson Oil Company regarding the navigability of Lake Bistineau and Loggy Bayou. Case may be tried in the Monroe section of the Western District of Louisiana in 2012.

N & A Minerals, LLC adv. Petrohawk, etal v. Leon K. Poche, Leon K. Poche, Jr., etal, Number C584949 , Section 26, 19th Judicial District Court, East Baton Rouge Parish, Louisiana (PENDING, providing litigation research support).

John Creighton Webb, Jr., etal. v. Franks Investments Company, LLC, etal; Civil Action No. 530.547-C 1st Judicial District Court, Caddo Parish, Louisiana. (PENDING, providing litigation research support). Provided geographic and historical analysis regarding the navigability of Bayou Pierre and sand Beach Bayous.

Ruby Frederick Ketner Yates v. Randall Marston, et al. 34913, 39th Judicial District Court, Red River Parish, Louisiana. (PENDING, providing litigation research support). Provided geographic and historical analysis regarding the the movement of the Red River about 1900 and whether a plantation was divided by the Red River.

Mansfield Auto World v. General Motors, Inc., Louisiana Motor Vehicle Commission, Baton Rouge, providing litigation research support, demographic and historical analysis of population shifts in DeSoto Parish. Client won with no appeal.

Leon K. Poche, Jr., Maureen McKay Poche, and Homer Ed Barousse, Jr. vs. State of Louisiana through State Mineral Board, et. Al., Docket No. 584949, Sec. 26. (PENDING, providing litigation research support). Provided geographic and historical analysis regarding the navigability of Bayou Pierre Lake and Rolling Fork Bayou, DeSoto and Red River parishes.

Note: In areas of expertise, courts generally accepted areas of expertise being defined as historian, demographer, cartographer and geographer.
